Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III Yes No

1 Briefly describe the organization's mission:

Our mission is to educate, disciple and develop young people to make their dreams a reality, glorify God, and use their gifts to transform their community.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 109,669.16 including grants of \$ 85,807.91) (Revenue \$ 0)

Ndoto provides school tuition, boarding, school supplies, meals, and medical expenses for the students accepted into the program. Students apply for the program and the accepted students are supplied with all of the previous mentioned expenses. These children would not be able to go to school otherwise, and without an education they would not be able to thrive in their communities. The students in the program are also able to get medical care when needed. One of the students was found to have cancer and Ndoto was able to pay for his treatment as well as for his schooling. Ndoto also discipless the children through visitation to their schools and retreats held during the year. In addition to having their expense paid, the students are also expected to contribute by doing service work and mentoring some of the younger students. For 2013 we served approximately 175 students.

4b (Code:) (Expenses \$ 15,100.22 including grants of \$ 0) (Revenue \$ 0)

The Kenyan staff is invaluable to our efforts. Not only do they pay school fees, buy supplies and take the students to the doctor when they are sick, but they invest in and mentor these young people. This is an important part of our work, because all of our Kenyan staff have come from poor and struggling backgrounds themselves. They are able to take their experiences (often which have been very tough) and use them for good to teach the students. This is a key to our development as we use local people for our work instead of large teams of people from abroad. This aids in the community impact we seek to make and it creates jobs in an economy that often times experiences 60%+ unemployment.

4c (Code:) (Expenses \$ 7,691.49 including grants of \$) (Revenue \$)

Retreats occur twice a year and are our biggest events. We host one every April and the other every December. These are the only times during the year that we gather all of the students (200+) together. We have a speaker come and teach them. We take them away to a retreat or camp or a fun venue that exposes them to new things and new areas. We play games, eat good food, have inspirational talks, sing, and help them to bond together. This is where some of our greatest teaching occurs and it is where get our sense of unity with the students. These retreats are times where students are given a chance to open up and share their struggles in a place where they are not alone. They are able to ask questions and be mentored and guided by people who care about them.

4d Other program services (Describe in Schedule O.)
(Expenses \$ 4,222.11 including grants of \$) (Revenue \$)

4e Total program service expenses **▶** 136,682.98
